Guarantee Information

Everflo point of use water heaters are covered by a one-year warranty from the manufacturer starting on the date of purchase (three years on the inner stainless steel vessel on 30L to 100L models). In the unlikely event of a fault within the guarantee period, the customer must phone the manufacturer on **0330 999 0035** to obtain a returns reference. The product must then be returned to the retailer that sold it, making sure to quote the returns number, for an exchange.

For spare parts please call **0330 999 0035**. Note: On-site field support is not provided for these products.
